

DARWIN TRADIES

All Systems Go!

Put your business at the forefront of the NT's civil and construction boom and manage your risk and take control of your Health, Safety, Environment and Quality responsibilities.

Introducing the Northern Territory's only risk management program tailor made for tradies and subcontractors.

Established by the Business Enterprise Centre, delivered by UNO Management Services, Darwin Tradies All Systems Go guarantees your business a fully implemented HSEQ legislative compliance system in just four months.

YOU WALK AWAY WITH:

- A fully auditable HSEQ planning & management system/tool valued in excess of \$30,000.
- 4 personalised workshops delivered by one of Darwin's leading system management firms, UNO Management Services.
- 10 hours of tailored coaching to support your integration of the full system into your business.

The entire programme is delivered in just four months for an initial outlay of \$4,000, with a rebate of \$3,000 following successful completion of the programme (subject to eligibility).

So that's \$4,000 of workshops and coaching and a fully integrated IT system for just \$1,000. Your business can't afford to miss this opportunity to build a HSEQ compliant system into your operations that's tailor made for NT working conditions.
